Patons

A complete wardrobe of Handknits in Big Baby 3 & 4 Ply

Patons has designed baby styles for over 70 years and many of the original designs are still requested from our archives.

This book is a compilation of the most requested original Patons styles, together with contemporary styles which reflect the modern mums of today.

All styles from our archives have been re-written in a more extensive size range and knitted in the popular Patons Big Baby yarn. We selected 4 ply Big Baby to knit styles shown in this publication. However, Big Baby 3ply can confidently be substituted - but depending on the needles (hence tension worked) - it is important to note the resulting garment will be smaller in size than stated in the 4ply instructions.

Please refer to page 12 for a Big Baby 3ply conversion chart which details approximate finished 'Garment Measures' information.

Patons Big Baby is available in 100gm balls. Yarn remaining from a garment could be used to knit a matching pair of bootees or mittens as shown on page 93.

The gift of a hand knitted garment for a new arrival is very special and gives great pleasure to all when presented.

Cast off loosely in rib.

MAKE UP

DO NOT PRESS. Using back-stitch, join left back raglan and neckband seam. Join side and sleeve seams.

BACK-STITCH SEAM

This is the method most commonly used for joining knitted garments. Hold the pieces together with right sides inside. The seam should be sewn one full stitch in from the end of each row so that all seams will be even. One stitch should be worked over every row. Darn in all ends of yarn **after** sewing seams.

Work 3 rows rib. Cast off loosely in rib.

LEFT FRONT BAND

Work to correspond with Right Front Band, omitting buttonholes.

MAKE UP

DO NOT PRESS. Using back-stitch, join side and sleeve seams. Using a flat seam, sew collar in position, beg and ending at centre of front bands. Sew lower edge of front bands in position, to sts cast off at centre front placing right front band over left front band and sewing through both thicknesses. Sew on buttons.

FLAT SEAM

This method is sometimes used for knitted garments but more often for crochet garments. A flat seam may be worked from either the right or the wrong side of the work. Place the 2 pieces of fabric evenly together and sew stitch by stitch, always bringing the needle up from underneath to top though the centre of the stitch, then in same manner through corresponding stitch on second piece. **Note** - Diagram shows knitted fabric, but method is the same for knitting or crochet. Always keep work elastic -there should be as much stretch in your seam as there is in the rest of your garment.

Cont in moss st without further buttonholes until band is length required to fit (slightly stretched) evenly along fronts, across top of sleeves and back of neck. Cast off in moss st.

MAKE UP

DO NOT PRESS. Using back-stitch, join side and sleeve seams. Using a flat seam, sew front band in position, placing buttonholes to Right Front for Girl or Left Front for Boy. Sew on buttons.

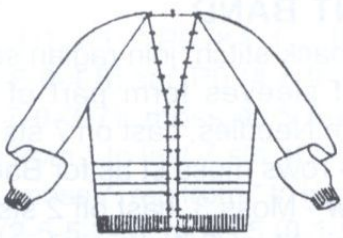

SEWING FRONT BANDS TO VEE BUTTONING CARDIGAN

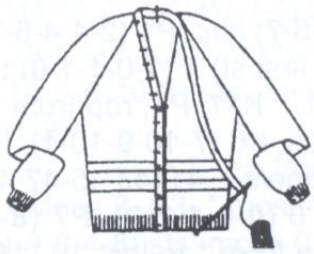

To obtain correct length of band required, sew raglan or shoulder seams as stated in instructions. Place a pin at centre back neck of garment. Lay cardigan flat on table and pin fronts to back at raglan or shoulder seams. Pin fronts to back of cardigan along front edges, taking care that lower bands and front shapings match exactly. All rows of knitting should be horizontal across garment, thus any stripes or patterns will match exactly.

Knit about three-quarters of length of band required. Place band to cardigan (garment laid flat) matching row for row on lower bands and noting that first row of knitting is right side of band unless otherwise stated. Pin buttonhole section to right front (left for man) noting that top buttonhole should come level with or a little below first shaping. Pin band up to raglan or shoulder seam. Take pins from raglan or shoulder seam and pin band around to centre back. Band across back neck should be firm enough to prevent back of garment stretching when worn. Mark centre back of band and point of band opposite first shaping. Unpin band from garment and knit band length required, measuring second half by folding at centre back pin. Mark point to match to first shaping on other front.

Pin front band to lower bands, matching row for row. Pin band to fronts up to first shaping. Pin at back neck, then remainder to front slopes. Lift garment from table and remove pins attaching fronts to back. Re-pin band so that right side of band is facing right side of garment, taking out and replacing each pin separately.

Back-stitch band to cardigan. Care should be taken that lower edge of garment forms a straight edge and that there is not an indentation at band seam. One stitch should be taken from band and cardigan to form seam.

MAKE UP

DO NOT PRESS. Using back-stitch, join side and sleeve seams. Using a flat seam, sew front bands in position. Sew on buttons.

SEWING FRONT BANDS TO CREW BUTTONING CARDIGAN

Knit bands as instructions. Sew raglan or shoulder seams as stated in instructions. Pin front bands to lower bands of cardigan, matching row for row. Lay cardigan flat on table and pin fronts to back at raglan or shoulder seams. Pin fronts to back of cardigan along front edges, taking care that lower bands and neck edges match exactly. All rows of knitting should be horizontal across garment, thus any stripes or patterns will match exactly. Mark fronts in quarters with pins by measuring (from top of lower bands) with tape measure. Mark front bands in quarters (from top of lower bands). Pin bands to cardigan, watching that all lines of knitting remain horizontal. Turn bands so that right side of band is to right side of garment and re-pin, taking out and replacing each pin separately. Back-stitch band to cardigan. Care should be taken that lower edge of garment forms a straight edge and that there is not an indentation at band seam. One stitch should be taken from band and cardigan to form seam.

13th row - Purl across all 71 (**79**-83-**91**-95) sts to end.

Change to 2.75mm Needles and complete as for **Left Leg**.

MAKE UP

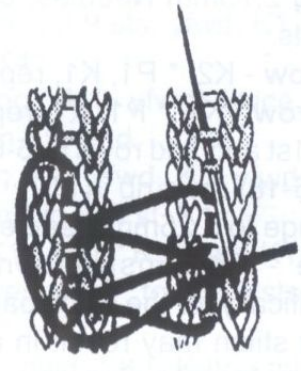

DO NOT PRESS. Using back-stitch, join front and back seams. Join leg and crotch seams. Fold lower rib band onto wrong side at hemline and slip stitch in position. Thread round elastic through 2nd, 7th and 12th rows of rib at waist and draw up to desired measurement.

RUNNING STITCH SEAM

This is an easier and quicker method than back-stitch, yet gives the same neat appearance on the right side of the garment. It is worked from the right side, making the matching of stripes, Fair Isle and fancy patterns quite simple. The stitches should be taken **one knitted** stitch in from the edge so care must be taken to "unroll" edges of work as you go along. Use a knitters needle - this has a blunt end to avoid splitting the yarn.

Place the 2 pieces of knitting side by side, with right side uppermost. Leaving an end about 15 cm long (to be finished off later), insert the needle from wrong side to right side between the first and second rows on the left-hand piece of knitting (this is the only stitch which is taken from the wrong side). Move to the right-hand piece of knitting, insert needle between cast-on and first row and bring it out between second and third rows (thus picking up 2 cross bars). Return to left-hand piece, insert needle in same space as that in which yarn came out from previous stitch (between first and second rows) and pick up 2 cross bars. Continue working from side to side in this manner. Leave stitches about 1 cm wide until you have completed about 2 cm of stitching, then pull thread up fairly firmly to close seam. Yarn should be tight enough so that is does not show, but loose enough to allow the garment elasticity. Take care not to pull through the end left at the cast-on edge.

Check that pieces are even at the top of the rib and at any horizontal lines in the pattern (diagram has been shaded as in 2 row stripes to show the correct placement of stitches so that stripes will match perfectly). Finish the top of your seam with 1 or 2 straight stitches over the cast-off edge and run the end along the edge of the fabric down the seam for about 3 cm. Thread the end left at the cast-on edge into your needle and finish this off in the same way (take care that you take the stitches over the cast-on edge and not over the seam, and the lower edge of your garment will be perfectly straight, with no unsightly dip at the seam). If you have trouble matching your work at the top of the rib, you may find the following suggestion helpful - Use a thread long enough to join the entire seam. Leaving most of this thread free to join the main part of your seam, begin at the top of the rib and work towards the cast-on edge as follows-pick up the cross bars of the two top rib rows on the left-hand piece of knitting, move to the right-hand piece of knitting, leave **the top row of rib** free, then pick up the cross bars of the next 2 rows. Continue in this manner with the shorter end of your thread until you reach the cast-on edge and finish off as described before. Then thread the long end of the thread into your needle and complete the seam in the normal way. If this seam needs to be unpicked at any time, simply cut the thread at top and bottom and pull the thread out.

Work 3 rows rib.
Cast off loosely in rib.
Work same band along corresponding raglan edge of Back, omitting buttonholes and working 3 rows rib only.

MAKE UP

DO NOT PRESS. Catch inside side edges of back bands neatly in position onto fabric, placing sleeve band over back band so raglan edges of back and sleeve match. Using back-stitch, join rem raglan seams. Join side and sleeve seams. Sew on buttons to correspond.

SLIP-STITCH

This is the method used for turning up hems or stitching double neckbands in place. Work 1 stitch into each cast-on or cast-off stitch to be sure that the work will be elastic. Always be sure that the stitches follow up evenly and do not form a crooked line.

MAKE UP

NOTE - Purl side of knitted pieces is the **right** side. Join body pieces tog, leaving an opening at top (neck edge) and noting that seams sit at centre

front and back. Stitch head pieces to each side of head gusset, placing cast-on edges at back of head and noting that gusset finishes at point of coloured threads (nose). Join seam under nose. Turn right side out. Secure eyes in position. Fill Head and Body and join together. With right sides tog, fold arms and stitch seam, leaving an opening. Turn, fill and close opening. With right sides tog, fold legs and stitch back and foot seam, leaving an opening at back. Turn, fill and close opening. Attach Legs and Arms to body. With right sides tog, join inner and outer ears, leaving straight (cast on) edge unstitched. Turn, stitch ears in position, as pictured. To create eye sockets, take a length of yarn from below eye down towards base of neck at back of head. Carefully pull thread until eye sinks into head. Secure with a stitch and thread ends into head. Using yarn double and straight stitch (see below) work facial features i.e nose and mouth. Tie ribbon in a bow around neck.

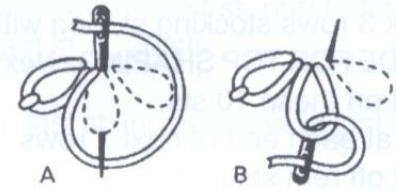

FRENCH KNOTS

Bring the thread out at the required position, hold the thread down with the left thumb and encircle the thread twice with the needle (A). Still holding the thread firmly, twist the needle back to the starting point and insert it close to where the thread first emerged. Pull thread through to the back and secure for a single French Knot, or pass on to the position of the next stitch (B).

LAZY DAISY STITCH

Work in the same way as Chain Stitch (A), but fasten each loop at the foot with a small stitch (B). This stitch may be worked singly or in groups to form flower petals.

STRAIGHT STITCH

Work straight stitches closely together across the shape. Care must be taken to keep a good edge. Take care not to pull the stitches too tightly, to prevent puckering.

Using a flat seam, join centre back seam. If desired, make 2 small pom pons (see below) or make two twisted cords (see page 47) and attach to bootee as pictured.

PLAIN BOOTEES

Work as for **Stripe Bootees**, using one colour only throughout.

POM-PONS

To make a pom-pon, cut two circles of cardboard, the diameter depends on the size of the pom-pon to be made, and should be equal to the size of the finished pom-pon plus approximately 1.25 cm for trimming, plus the diameter of the centre hole, e.g. for a pom-pon 4 cm across, the circles would be 4 cm, plus 1.25 cm, plus 1.25 cm for centre hole, equals 6.5 cm. Cut a round hole in the centre, the size of the hole is approximately a quarter of the finished pom-pon. Wind the yarn round and round the cardboard until the centre hole is completely filled up. Place the point of a pair of scissors between the two circles of cardboard and cut around, keeping the scissors between the cardboard all the time. Using a double strand of yarn, wrap round between the two circles of cardboard, knot firmly, and take away cardboard. Trim pom-pon.

NECKBAND

Using back-stitch, join right shoulder seam. With right side facing, using 3.25mm Needles and M double, knit up 4 (**5**-5-**5**-6-**8**) sts evenly along left side of neck, knit across sts from front stitch-holder, knit up 8 (**9**-9-**9**-10-**11**) sts evenly along right side of neck, then knit across sts from back stitch-holder ... 46 (**50**-50-**52**-54-**59**) sts.
Knit 9 rows garter st.
Cast off loosely knitways.

LEFT FRONT SHOULDER BAND

With right side facing, using 3.25mm Needles and M double, knit up 13 (**14**-16-**17**-19-**21**) sts evenly along left front shoulder and side edge of neckband.
Knit 2 rows garter st.
Sizes prem, 0 and 3 only - **3rd row** - K2, yfwd, K2tog, K9 (**10**-12) ... buttonhole.
Sizes 6, 12 and 24 only - **3rd row** - K2, yfwd, K2tog, K (**6**-8-**10**), yfwd, K2tog, K5 ... 2 buttonholes.
All sizes - Knit 3 rows garter st.
Cast off loosely knitways.

LEFT BACK SHOULDER BAND

Work to correspond with Left Front Shoulder Band, omitting buttonholes.

MAKE UP

DO NOT PRESS. Using back-stitch, join side and sleeve seams matching stripes. Place front shoulder band over back shoulder band and oversew at armhole edge, sewing through both thicknesses. Sew in sleeves. Sew on buttons.

NEATENING THE SIDE EDGE OF YOUR CAST ON

Before slipping the **last** cast-on stitch on to the left-hand needle, pass the yarn from back to front between the points of the two needles, then slip the stitch on to the left-hand needle. This prevents a curved edge on the last stitch.

HAT (make 2 pieces)

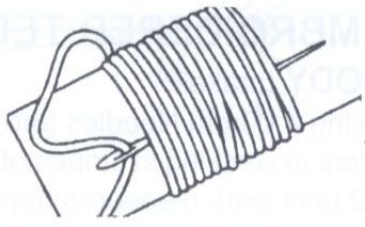

Using 3.25mm Needles and C1, cast on 35 (**41**-45-**51**-55-**59**) sts.
Knit in garter st (1st row is wrong side), until work measures 9 cm from beg, working last row on right side.
Change to 4.00mm Needles and **beg stripe patt**. Work in stocking st stripes of 4 rows each C2 and C1 until work measures 19 (**20**-21-**22**-22-**23**) cm from beg, ending with a complete stripe.
Cast off loosely.

MAKE UP

DO NOT PRESS. Using back-stitch, join top and side seam, reversing seam for first 5 cm of lower band. Fold band onto right side for 5 cm. Using C1, make a tassel (see below) and attach to top of hat noting to catch side corners tog at centre.

TASSELS

To make a tassel, cut a piece of cardboard several centimetres long, to the width desired (i.e. the length of the tassel you wish to make). Wind the yarn round and round the cardboard - the number of times it is wound round the cardboard depends on how bulky you wish to make the tassel. Break off yarn, leaving an end several centimetres long, thread through needle. Slip needle through all the loops on the cardboard, and tie yarn tightly at one edge. Slip cardboard out and wind the yarn several times around the loops 1 cm from the fold. Draw the needle through the top, and attach the tassel where desired. Cut though the other fold and even off the ends.

BULLION STITCH

Pick up a Back Stitch, the size of the Bullion Stitch required, bringing the needle point out where it first emerged, do not pull the needle right through the fabric. Twist the thread round the needle point as many times as required to equal the space of the Back Stitch. Hold the left thumb on the coiled thread and pull the needle through; still holding the coiled thread, turn the needle back to where it was inserted (see arrow) and insert in same place. Pull thread through until the Bullion Stitch lies flat. Use a needle with a small eye to allow the thread to pass through the coils easily. Arrange a circular group of Bullion Stitches to make a Grub Rose.

TO MAKE A TWISTED CORD

Method requires two people. Take as many strands of yarn as required, approximately three times the length required for the finished cord. Knot each end and slip a pencil between strands. Each person holds yarn just below pencil with one hand and twists pencil clockwise with other hand, keeping yarn taut. When yarn begins to kink, catch centre over door-knob or back of chair. Bring pencils together for one person to hold, while other grasps centre of yarn, sliding hand down and releasing at short intervals, letting yarn twist. Knot ends to prevent unravelling.

LEARN TO KNIT

1. CAST-ON

2. KNIT

3. PURL

Knitting has taken on a new charm and has become a very popular handcraft. It's the greatest constructive leisure activity suitable for all ages and is once again a high fashion craft.

Once the basic hand knitting techniques have been mastered, the craft allows a wide field of independent interpretation and flexibility.

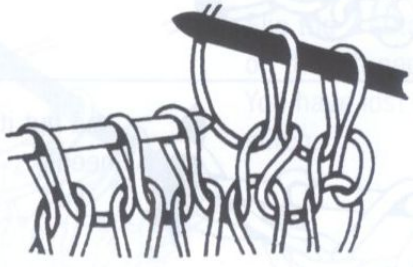

Though no one knows when women first began to knit, we do know that history records it was the men who did the knitting. As far back as 200 A.D. knitting was an advanced and accomplished art - so get those needles clicking, let's see what you can do.

4. INCREASE

5. DECREASE

6. CAST OFF

Helping you with needlecrafts

1. CAST-ON

1

Make a loop on one of the needles. Hold this needle in your left hand. Take the 2nd needle in your right hand and put it through the loop.

2

Put the yarn round under to the left then over to the right

3

Pull this loop through the first loop

4

Put this new loop on your left needle

5

Now push your needle between the two stitches
Pull the yarn round as before

6

Pull the loop through

7

and put it on your left needle

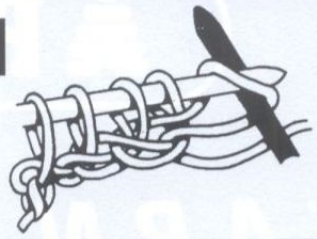

8

Make as many stitches as you need

2. KNIT

1

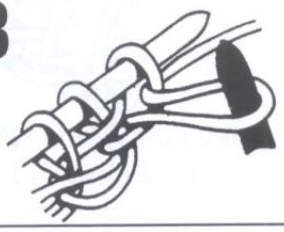

Push your needle through the middle of the first stitch

2

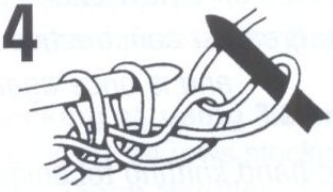

Put the yarn round under to the left then over to the right.

3

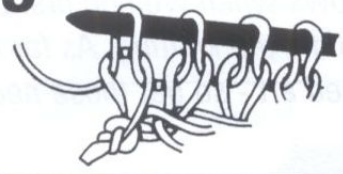

Pull the loop through

4

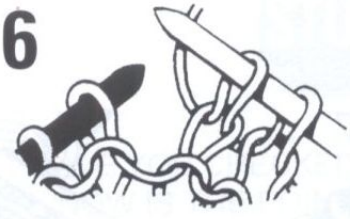

Slip the stitch off the left needle

5

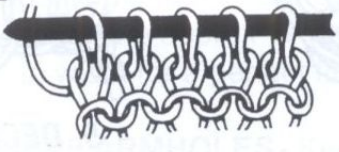

Knit every stitch to the end of the row

6

Change the needles over and knit another row

7

Rows of knit stitch are called Garter Stitch

Patons

3. PURL

1

With the yarn at the front push the needle through the 1st loop towards you

2

Put the yarn round under to the left then over to the right

3

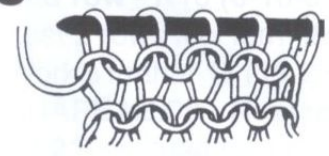

Pull the loop through

4

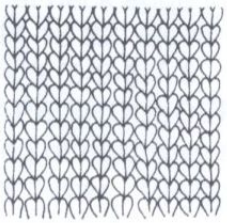

Slip the stitch off the left needle

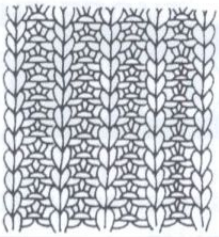

5

Purl every stitch to the end of the row. Change the needles over and purl another row

If you knit 1 row then purl the next you make stocking stitch

If you knit 1 purl 1 right across you make rib

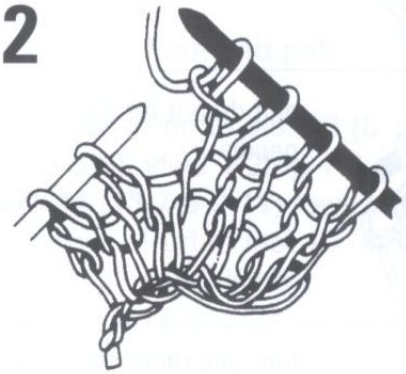

4. INCREASE

1

To increase is to make 1 stitch. Knit the stitch as usual, but don't slip it off the needle. Now knit into the back of the same stitch

2

This time slip the stitch off the needle. You have made 2 stitches out of 1

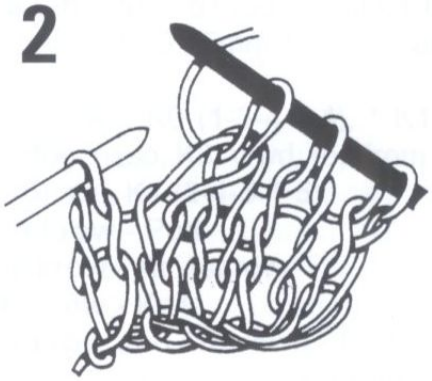

5. DECREASE

1

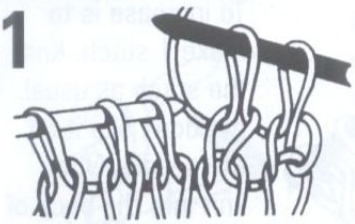

To decrease is to lose 1 stitch. Put your needle through 2 stitches. Knit as usual

2

Slip the 2 stitches off the left needle. You have lost a stitch.

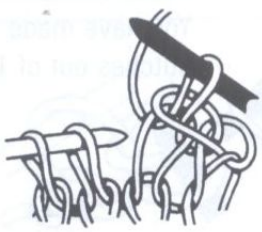

6. CAST-OFF

1 

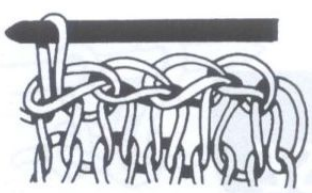

Knit two stitches.

2 

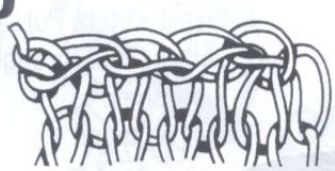

Pick up the 1st stitch, lift over the 2nd stitch.

3 

and drop it off the needle

4 

Knit one more stitch to make 2 on your needle. Lift the 1st stitch over as you did before. Carry on like this until there is only 1 stitch left

5 

Break the end and put it through the stitch. Slip the stitch off the needle and pull the end tight.

SEWING UP

Tapestry needles or knitters needle's (i.e. those with blunt ends instead of sharp points) are ideal for sewing up knitted garments. Use the same yarn as that in which you knitted your garment. If your garment was knitted using 2 strands of yarn tog, then when sewing up your garment you should also use 2 strands of yarn tog. Certain fashion yarns are not suitable for sewing up and suitable matching plain yarn should be used instead. Seams should be sewn as instructed, in the order given. Do not start with a knot in your yarn when sewing a seam. Run the yarn along the seam edge for about 5 cm before commencing.

CASTING ON FOR K1, P1, RIB

This is a variation of the two-needle method of casting on, and gives a very neat and elastic edge. It is **not** suitable for any rib other than K1, P1.
First you will need to read the first rib row, as this will determine how you start your casting on.

1. If you need an uneven number of stitches and the first row reads K2, * P1, K1, rep from * to last st, K1 . - Make a slip loop and place it on left-hand needle. Insert right-hand needle into loop knitways and knit a stitch, slip the stitch thus made on to the left-hand needle.
** Insert right-hand needle purlways between last 2 stitches and purl a stitch (diagram 1), slip the stitch thus made on to left-hand needle (taking care not to twist the stitch), insert right-hand needle knitways between last 2 stitches and knit a stitch (diagram 2), slip the stitch thus made on to left-hand needle, rep from ** for required number of stitches, ending with 2 knit stitches (before slipping the last stitch on to your left-hand needle, bring your yarn forward between the two needles - this will keep the edge of your work neat).

2. If you need an even number of stitches and the first row reads * K1 P1, rep from * to last 2 sts, K2. - Work as for method 1, but end with 1 knit stitch instead of 2.

3. If you need an uneven number of stitches and the first row reads K1, * P1, K1, rep from * to end. - Make a slip loop and place it on left-hand needle. Insert right-hand needle into loop purlways and purl a stitch, slip the stitch thus made on to left-hand needle (taking care not to twist the stitch).
** Insert right-hand needle knitways between last 2 stitches and knit a stitch (diagram 2), slip the stitch thus made on to left-hand needle, insert right-hand needle purlways between last 2 stitches and purl a stitch (diagram 1), slip the stitch thus made on to left-hand needle (taking care not to twist the stitch), rep from ** for required number of stitches, ending with 1 knit stitch (before slipping the last stitch on to your left-hand needle, bring your yarn forward between the two needles - this will keep the edge of your work neat).

4. If you need an even number of stitches and the first row reads K2, * P1, K1, rep from * to end. - Work as for method 3, but end with 2 knit stitches instead of 1.

Next row - K4 (**3**-2-**2**), * K2tog, rep from * to last 5 (**4**-3-**3**) sts, K5 (**4**-3-**3**) ... 33 (**35**-37-**39**) sts.
Work 22 (**30**-38-**38**) rows rib as before.
Cast off loosely in rib.

MAKE UP

DO NOT PRESS. Using a flat seam, join cuffs then side edges for a further 5 (**6**-7-**9**) cm. Fold cuffs in half. At centre of one side, fold over an edge for 5 cm to form collar. **Edging** - Using stranded cotton, work blanket st (see below) edging along outer edge and cast on and cast-off edge of cuffs. Sew ribbon at each end of collar.

BLANKET STITCH

Bring the thread out on the lower line, insert the needle in position in the upper line, taking a straight downward stitch with the thread under the needle point. Pull up the stitch to form a loop and repeat.

Work Left Front Edging in same manner.

SLEEVE EDGINGS

With right side facing and using 3.25mm Needles, knit up 37 (**41**) sts evenly along lower sleeve edge.
Complete as for Neck Edging.

MAKE UP

DO NOT PRESS. Using a flat seam, join sleeve seams. Fold all edgings onto wrong side at picot rows and slip-stitch loosely in position. Thread ribbon through holes at neck.

KNITTING UP STITCHES

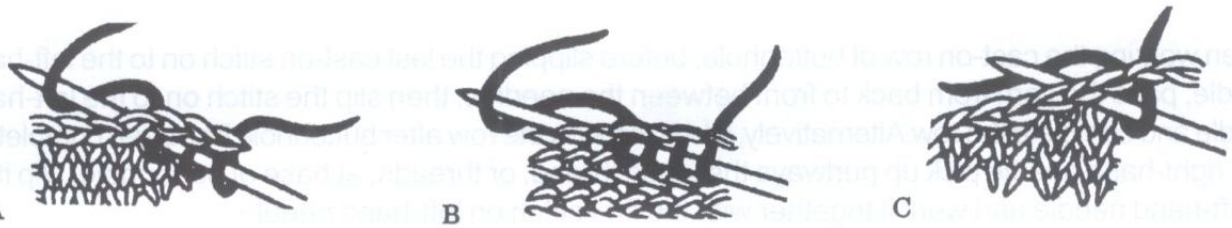

This is the method used for neckbands, armhole bands, etc. Hold work in left hand with right side facing you. Hold working needle and yarn in right hand. Insert point of needle through work from front to back. Wrap yarn round point of needle and knit a stitch.

When working along a cast-off edge, insert needle under both loops of cast-off stitch, and knit up one stitch in each cast-off stitch. (Diagram A)

When working along side edge, insert needle inside one full stitch from the edge (i.e. behind 2 loops of stitch, not just the edge loop). (Diagram B)

You will find along this edge that there is alternately one long and one short stitch. If you require less stitches than there are rows along this edge, always knit up through the short stitches and omit some of the long stitches. (Diagram C)

Before commencing, always count the number of rows you have and compare it to the number of stitches you require, then you will be able to make any adjustments evenly along the length of the work. If you find it difficult to knit up stitches neatly, try using needles 1 or 2 sizes smaller than those in the instructions - but do not forget to change back to the correct size for knitting the band. Some knitters use a crochet hook to pull the stitches through, slipping them one at a time on to the needle.

RAGLAN SLEEVES

A raglan sleeve is one where the armhole and sleeve top are shaped with a diagonal slant up to the neckline. The back and front armholes and the sleeve top have the same number of rows. Some raglans are fully fashioned. This means that the decreases are worked one or more stitches in from the side edge of the work. This leaves a neat edge to follow for sewing up your garment. Raglan seams should be sewn up matching row for row, before joining the side and sleeve seams.

MEASUREMENTS

Always be generous with measurements when an instruction is given to a number of centimetres. Measure in centre of work, with work laid out flat, unless otherwise stated.
Always count number of rows to make sure that different parts of a garment correspond when a measurement is given in instructions.
As most patterns give more than one set of measurements, it is advisable to read through the pattern before beginning to knit. Find where your own size is in the bracket and mark that set of figures throughout the pattern. If any alterations have been made to length or width, take a note of them. A row counter helps to keep a close check. When increasing or decreasing, mark the position with a coloured thread - it makes it easier if the work has to be checked.
Join a new ball of yarn at the beginning of a row whenever possible. If the yarn covers the width of your knitted piece 4 times, you will have enough to finish a row - if not, join a new ball of yarn (the odd length can be used for sewing up). When yarn has to be joined in the middle of a row (e.g. circular knitting) it must be spliced.

TENSION SQUARE

The instructions given in the tension paragraph of a knitting pattern will be either for working in stocking stitch or in pattern stitch. For either there should be enough stitches for at least 15 cm in width. Work in pattern or stocking stitch according to the wording of the tension paragraph until the piece measures at least 15 cm in length. To check the stitch tension place a pin vertically into the fabric a few stitches from the side edge. Measure 10 cm carefully and insert a second pin. Count the stitches. If the number of stitches between the pins is less than that specified in the pattern, your garment will be too wide. Use one size smaller needles to knit another swatch and measure the stitches again. If there are more stitches than specified, your garment will be too small. Change to one size larger needles, knit another swatch and measure the stitches again.

Counting stitches

Counting rows

To check the row tension place a pin horizontally in the fabric a few rows from cast on edge. Measure 10 cm carefully and insert a second pin. Count the rows.If the number of rows between the pins is less than the number specified in the pattern, your garment will be too short. If you cannot obtain the tension exactly right on stitches and rows, decide which is more important. Generally it is better to obtain the width measurement correct, as lengths can usually be adjusted during knitting by adjusting the length to underarm or the sleeve length. These lengths are usually given as a measurement and not in rows. Your tension will become more even the more you practice knitting.

ENSURING A PERFECT FIT -

As babies and children vary enormously in size for age, we suggest you measure the following points to ensure a great fit -

A) Chest circumference at underarm.

B) Length of body from shoulder to desired hem length.

C) Length of arm - underarm to wrist.

SHAPING IN LACY PATTERNS

It is most important to become familiar with the appearance of the pattern, so that you can decide on the best way to do your shaping.

Always look a little way into your row before shaping - e.g If your row would normally beging with "K1, yfwd, K2tog" and you wish to decrease at the beginning of the row, it would be best to just omit the "yfwd - this would decrease a stitch but still keep the line of the pattern following up. Similarly, if your row would normally begin with "K1, K2tog, yfwd", it would be best to work "K3tog, yfwd".

If you decreased any number of stitches, and you are not sure how to begin and end your rows, remember - do not work a "yfwd" if you have no room in the pattern to "K2tog" or "sl 1, K1, psso" to compensate for it and vice versa.

A piece of graph paper can be helpful in mapping out shapings in the pattern - draw your pattern out using suitable symbols for "yfwds" and "K2togs", then mark along the lines where your decreasing or increasing should be worked.
If you are still in doubt, it is a good idea to count the number of stitches on your needle after working each pattern row.

VARIATIONS IN SPECIFIED YARN QUANTITIES FOR GARMENTS

Knitters occasionally comment that the quantity of yarn recommended for a garment varies from the amount they actually use. One major reason for this is that no two people knit or crochet in exactly the same way. When we specify a quantity of yarn for a particular garment, we are stating a figure that is the end result of having each individual design made by as many as six different knitters.

The average quantity determined by this check knitting is regarded as the most satisfactory figure for that particular garment, knitted at the **correct tension** * to the measurements specified and in the actual yarn recommended. Naturally, if you decide to change the body or sleeve length **you must allow for an adjustment to the quantity of yarn.**

* **Correct tension** - see tension instructions for your garment.

The first row is always the right side of the work unless otherwise stated.

THE Patons HAND KNIT RATINGS HELP YOU CHOOSE THE PATTERN SUITED TO YOUR KNITTING ABILITY

One beehive says this is a beginner level of knitting. Knit and Purl stitches, casting on and off and some basic increasing and decreasing.

Two beehives mean easy knits, with knit-purl stitch patterns, simple lace patterns (no shaping in the lace), slip-stitch patterns, and cables.

Three beehives are for advanced knitters, requiring some specialised knowledge such as Fair Isle, Aran and more complicated lace patterns.

Four beehives signal a challenge knit. There can be make and lose patterns, complicated shaping, and any technique that requires a higher level of concentration.

P The letter P after any beehive grouping suggests that an additional degree of patience is required for a quality finish.
